

QUICK QUOTE & ORDER *GUIDE*

To ensure we deliver your quote in less than 48 hours and ship your order in 4 days or less, please submit the following items:

Needed for Quote:

- Job Name
- LED Specs Needed (e.g. Lumens, K temp)
- Measurements & Quantities
- Location of Install
- Type of Power Supply: Dim/Non-Dim/0-10V
- Channel Specs
- Controller and/or Accessories
- Picture of Lighting Application Location (if available)

Additional Items Needed for Takeoff:

- PDF Layout of Lighting Plan (LEDs Clearly Called Out/Labeled)
- Valid Scale for Measurement
- Fixture Schedule (New or Replacement?)
- If replacing - Product SKU to reference

Submit all quotes to:
quotes@novaflexled.com

Needed for Order:

- Include Nova Flex quote number with order
- Highlight any changes made to the referenced quote (e.g. change in color temperature, LED series)
- Verify and provide SHIP TO address, including if it's new construction, primary contact, appropriate suite or building number

Submit all orders to: orders@novaflexled.com
